- 1 Workshops and Masterclasses** will be conducted in a video-based format, while Hands-On sessions will be conducted as live, in-person practical sessions.
- 2. Understand the block structure.** Each conference day is divided into half-day blocks (Morning and/or Afternoon). Within every half-day, you have two ways to participate:
Option A - Two Workshops: Attend one Workshop in the first sub-block (e.g. 1A) AND one Workshop in the second sub-block (e.g. 1B). Workshops are 2 hours each.
Option B - One Masterclass OR Hands-On: Attend a single Masterclass or Hands-On session that runs across the entire half-day. This option **replaces both** Workshop sub-blocks for that half-day.
- 3. Tick ONE box per sub-block, OR ONE box in the Full-Block panel - never both.** If you select a Masterclass (MC) or Hands-On (HO) in the Full-Block panel, leave the two Workshop (WS) sub-blocks beside it completely blank. Selecting a Full-Block option AND a Workshop (WS) in the same half-day will invalidate that half-day's selection.
- 4. You may mix and match across days.** For example, you can choose two Workshops on Day 1 morning, a Masterclass on Day 1 afternoon, and a Hands-On on Day 2 - as long as the rule above is followed within each half-day.
- 5. Selections are subject to availability.** Workshops, Masterclasses, and Hands-On sessions have limited capacity and will be allotted on a first-come, first-served basis. We recommend noting a second preference in the margin beside your primary choice wherever possible.
- 6. You may leave any block unselected** if you wish to attend the main scientific Program instead during that time.
- 7. Once submitted, selections cannot be changed at the venue** unless approved by the registration desk and subject to availability.
- 8. The final session schedule, hall allocations, and faculty list will be shared closer to the conference dates.** printed on this form are based on the current Program plan and may be subject to minor changes.
- 9. Eligibility for Hands-On sessions: Hands-On sessions (HO-1 to HO-8) are exclusively reserved for IADVL Life Members (LM).**
Please ensure you provide your valid IADVL LM number on the registration form.
Non-LM delegates may select Workshops or Masterclasses instead.
