SOLVEDPGSS.IN

54th Annual National Conference of the Indian Association of Preventive and Social Medicine

Guidelines for Abstract Submission

A. General Instructions

1. Conference registration is mandatory before abstract submission.

2. The submitted work must be original, unpublished, and not previously presented at any national or international conference, unless explicitly declared. Head of Department must sign an originality declaration.

3. All abstracts must be submitted only through the official online abstract submission portal Google form of the 54th IAPSM National Conference (IAPSMCON 2027) on or before the last date i.e., October 10th 2026

4. Abstracts submitted by e-mail or any other mode will not be considered.

5. Authors may indicate their preference for either Oral Paper or Poster Presentation. However, the decision of the Scientific Committee will be final.

6. Abstracts that are submitted after the deadline, incomplete, incorrectly formatted, or not complying with these guidelines will not be considered.

7. Abstracts must be written in Times New Roman, 12-point font, double line spacing.

8. The abstract file should be named using the following format:
IAPSMCON2027_RegistrationNumber_Name of the author_Ab01.docx
For submission of a second abstract by the same presenting author (a maximum of two for a presenting author is permitted):
IAPSMCON2027_RegistrationNumber_Name of the author_Ab02.docx

9. An automated acknowledgement will be generated upon successful submission. Authors are advised to retain this acknowledgement for future correspondence.

10. Notification regarding acceptance/rejection, presentation category (Oral/Poster), presentation identification number, and session schedule will be communicated to the presenting author through the registered e-mail.

11. The Scientific Committee reserves the right to edit the abstract for grammar, formatting, and style without altering its scientific content.

12. The decision of the Scientific Committee regarding acceptance, rejection, presentation category, scheduling, and awards shall be final.

54th Annual National Conference of the Indian Association of Preventive and Social Medicine

Guidelines for Abstract Submission

B. Abstract Structure and Formatting

1. The abstract should not exceed 250 words, excluding the title, author names, institutional affiliations, and keywords.

2. Abstracts must be structured under the following headings:
- Title
- Background & Objectives
- Methodology
- Results
- Conclusion
- Keywords (3–5)

3. Use standard scientific nomenclature and SI units wherever applicable.
4. Tables, figures, graphs, photographs, references, and citations should not be included in the abstract.
5. Abbreviations should be avoided as far as possible. If essential, they should be defined at their first mention.

C. Author Information

1. The title should be followed by the full names of all authors along with their respective institutional affiliations.

2. The presenting author should be indicated in bold font.

3. The corresponding/presenting author's e-mail and mobile number must be provided.

4. The conference registration number of the presenting author is mandatory. Abstracts without a valid registration number will not be considered.

5. Each presenting author may submit a maximum of two abstracts. However, the Scientific Committee may limit the number of oral presentations by a single presenter to facilitate broader participation.

54th Annual National Conference of the Indian Association of Preventive and Social Medicine

Guidelines for Abstract Submission

D. Scientific Themes

Abstracts are invited under, but not limited to, the following broad thematic areas

1. Nutrition and Public Health
2. Non-Communicable Diseases
3. Reproductive, Maternal, New-born, Child Health
4. Communicable Diseases, Immunization and Vaccine Science
5. Environmental and Climate Change & Health
6. Artificial Intelligence and Generative AI in Healthcare
7. Digital Health and Public Health Informatics
8. Universal Health Coverage, Health Systems and Health Financing
9. Mental Health and Digital Mental Health Interventions
10. Health Promotion and Behavioral Sciences
11. Epidemiology and Disease Surveillance
12. Health Policy, Health Management and Health Economics
13. One Health
14. Public Health Emergency Preparedness and Disaster Management
15. Medical Education and Public Health Training
16. Occupational Health
17. Geriatric Health
18. Tribal Health
19. Adolescent Health
20. Other Emerging Areas in Community Medicine and Public Health

E. Ethical Requirements and Declarations

1. Studies involving human participants or identifiable data should have approval from a duly constituted Institutional Ethics Committee (IEC) or Institutional Review Board (IRB), wherever applicable. The approval number and date should be mentioned. If approval is under process at the time of submission, this should be clearly indicated with the proof of acknowledgement from EC; however, ethical approval must be
obtained before presentation.

2. A Conflict of Interest Declaration is mandatory for all submissions. All sources of financial support or funding must be disclosed.

3. Authors must declare that:
- o the submitted work is original;
- o the work has not been plagiarized;
- o all authors have approved the submission;
- o necessary permissions have been obtained for any copyrighted material used.

4. Any use of Artificial Intelligence (AI) or Generative AI tools in manuscript preparation should be disclosed, wherever applicable. AI tools should not be listed as authors.

SOLVEDPGSS.IN

54th Annual National Conference of the Indian Association of Preventive and Social Medicine

Guidelines for Abstract Submission

F.Required Documents

The following documents must be uploaded along with the abstract submission:

1. 1. Declaration of originality and authorship signed by the corresponding/presenting author.

2. Permission/forwarding letter from the Head of the Department/Institution certifying the originality of the work.

3. Institutional Ethics Committee (IEC)/IRB approval letter or proof that ethical approval is under process, wherever applicable.

G. Review Process

All abstracts will undergo double-blind peer review by experts nominated by the Scientific Committee

1. Abstracts will be evaluated on:
- Originality
- Scientific quality
- Methodological rigor
- Relevance to Community Medicine and Public Health
- Clarity of presentation
- Overall significance

2. Reviewers' comments will remain confidential and may not necessarily be communicated to the authors

tion should be disclosed, wherever applicable. AI tools should not be listed as authors.

H. Presentation Guidelines

1. Detailed instructions regarding oral and poster presentations will be communicated separately to accepted authors.

2. The presenting author must register for the conference and be present during the assigned session.

3. Failure to present the accepted paper/poster without prior intimation may affect consideration of future submissions.

I. Important Note

Submission of an abstract implies acceptance of all conference rules and these submission guidelines. The Scientific Committee reserves the right to modify the scientific programme, presentation category, or scheduling in the best interest of the conference.
