## Welcome to NAPTICON 2026 Ludhiana

It is my proud privilege, as the Organizing Secretary of NAPTICON 2026, to extend a warm welcome to all delegates to the 5th National Annual Conference of the National Association of Pharmacology and Therapeutics, to be held on 20th and 21st November 2026 at Christian Medical College & Hospital, Ludhiana, Punjab.

We are honored to host this two-day national conference at Christian Medical College & Hospital, Ludhiana, an institution with a rich legacy in medical education, healthcare delivery, and research. CMC Ludhiana was established in 1894 by Dame Edith Mary Brown as the North Indian School of Medicine for Christian Women, making it the first medical school for women in Asia. Over the decades, the institution has evolved into a center of excellence, upholding its founding vision of service, compassion, and academic integrity.

The theme of the conference, **"Redefining Paradigms in Pharmacology: From Research to Patient Care,"** reflects the dynamic role of pharmacology in translating scientific discovery into effective and safe patient-centered therapy. The scientific program has been thoughtfully curated to include keynote lectures, plenary sessions, panel discussions, and free paper presentations that address emerging trends and contemporary challenges in pharmacology and therapeutics.

Christian Medical College & Hospital, Ludhiana offers undergraduate (MBBS), postgraduate (MD/MS), and super-specialty training in a wide range of disciplines and is supported by modern diagnostic and therapeutic facilities. The institution continues to contribute significantly to clinical research, medical education, and community health.

We look forward to welcoming you to NAPTICON 2026 and hope the conference provides a stimulating academic environment, meaningful professional interactions, and a truly enriching experience for all participants.

**Dr. Dinesh K. Badyal**
Organizing Secretary
(NAPTICON-2026)

## Director's Message NAPTICON 2026

It gives me great pleasure to extend my warm greetings to all delegates, speakers, faculty members, researchers, and students participating in the NAPTICON 2026, being organized by the Department of Pharmacology, Christian Medical College & Hospital, Ludhiana.

Pharmacology remains a cornerstone of medical science, bridging the gap between fundamental research and rational clinical practice. In an era of rapidly evolving therapeutics, precision medicine, and patient-centered care, forums such as this conference play a vital role in updating knowledge, encouraging critical thinking, and fostering meaningful academic exchange.

I commend the Department of Pharmacology for organizing this conference and for providing a platform that brings together experts and young scholars to deliberate on recent advances, emerging challenges, and future directions in pharmacological research and education. Such academic initiatives contribute significantly to strengthening evidence-based prescribing, ethical drug use, and improved patient safety.

I am confident that the scientific sessions, discussions, and interactions during this conference will be intellectually enriching and will inspire participants to translate knowledge into responsible and compassionate medical practice.

I wish the conference every success and hope it will be a rewarding and memorable experience for all.

With best wishes,

**Dr. William Bhatti MS, MCH (Pediatric Surgery)**
Director
Christian Medical College, Ludhiana

# NAPTICON

## Principal's Message NAPTICON 2026

It is with great pride and enthusiasm that I extend a warm welcome to all delegates, esteemed speakers, and participants to NAPTICON 2026, organized by the Department of Pharmacology, Christian Medical College & Hospital, Ludhiana, in collaboration with the National Association of Pharmacology and Therapeutics. The conference will be held on 20th and 21st November 2026.

Pharmacology stands at the forefront of medical innovation, driving advancements in drug development, therapeutics, and patient care. This conference provides a vibrant platform for leading researchers, clinicians, academicians, and industry experts to engage in meaningful dialogue, present cutting edge research, and explore emerging frontiers in pharmacological sciences.

At Christian Medical College & Hospital, Ludhiana, we remain deeply committed to fostering academic excellence, research, and interdisciplinary collaboration in the medical sciences. It is an honor for us to host this prestigious event, and we eagerly look forward to insightful deliberations that will contribute significantly to the progress of healthcare and therapeutics.

I extend my heartfelt gratitude to the organizing committee, distinguished speakers, and all participants for their enthusiastic involvement. Wishing each one of you a productive, enriching, and memorable conference experience.

With best wishes,

**Dr. Jeyaraj D. Pandian, MD, DM (Neurology)**
Principal
Christian Medical College, Ludhiana

## Organizing Secretary's Message
## NAPTICON 2026

It gives us immense pleasure to welcome all pharmacologists, researchers and pharmacology students to NAPTICON 2026, the 5th National Conference of the National Association of Pharmacology and Therapeutics. This prestigious academic event is being hosted by the Department of Pharmacology at Christian Medical College & Hospital Ludhiana, Punjab, India.

NAPTICON 2026 promises to be a vibrant platform for exchange of knowledge, presentation of innovative research, and discussion of recent advances in pharmacology and therapeutics. The conference will feature a diverse array of scientific contributions reflecting current trends, emerging concepts, and evidence-based practices in the discipline.

Christian Medical College & Hospital Ludhiana (CMCL), an institution of national importance, is celebrating 132 years of excellence in medical education, research, and healthcare. Its origins trace back to 1881, when medical missionary work in Ludhiana was initiated by the Greenfield sisters. Situated in Ludhiana, one of Punjab's oldest and fastest-growing cities, the institution offers an ideal academic environment with excellent connectivity and a rich legacy of service.

The Department of Pharmacology at CMC Ludhiana has a distinguished legacy in education, research, and innovation. The institution holds a unique distinction in Health Professions Education as a Nodal Centre for Faculty Development under the National Medical Commission, a FAIMER Regional Institute, and an AMEE Centre. The department has played a pivotal role in advancing competency-based medical education in India and continues to contribute through faculty development programs, textbooks, and over 300 research publications. With five constituent colleges—Medical, Dental, Nursing, Physiotherapy, and Allied Health Sciences—the Department remains committed to improving healthcare outcomes.

We are confident that NAPTICON 2026 will enrich academic perspectives, strengthen professional networks, and inspire future research in pharmacology and therapeutics.

We extend our best wishes to all participants for a successful and intellectually rewarding conference.
